No School Today, No Heat, In N.Y. Ice Storm Area

SARATOGA SPRINGS, N.Y. (AP) — New York's savage ice storm meant no school for delighted children, no heat for their parents' cold homes, no rest for weary work crews.

Today it also meant hopes that winds would not snap more power lines or topple more trees bowed under tons of ice in east-central New York and parts of Vermont and Massachusetts.

The ice accumulated during a weekend of freezing rain and snow. Effects of the storm and below-zero temperatures early this week have forced hundreds of families to live in emergency centers — such as the Lake Avenue Armory here.

The armory atmosphere is one of good spirits and helpfulness. Families share belongings and talents as they shared hardships in an ice storm that, at its peak, took electricity and heat from 75,000 homes and businesses in eastern upstate New York. About 4,000 homes in the Pittsfield, Mass., area also lost power.

Monday night, officials of the Niagara-Mohawk Power Corp. said the number of customers without electric power was down to 27,000 — representing more than 50,000 persons.

More than 900 men, coming from power companies as far away as Philadelphia, are working 16-hour days to free an area of more than 1,000 square miles of downed power lines and to restore service.

There was no estimate of damages, except that they would be in the hundreds of thousands of dollars. One company official said the storm in his section was "the most destructive I've seen. We aren't repairing in many areas. We're rebuilding."

Seaway Closes, Traps 4 Ships

MONTREAL (AP) — Winter closed the Montreal end of the St. Lawrence Seaway Monday, trapping four ocean ships in Lake Ontario, where they will have to spend the winter. Ice, six inches thick in Montreal's St. Lambert Lock, ended the biggest shipping year in the seaway's six-season history.

Until the end of November, some 38.5 million tons of cargo was carried through the system this year, an increase from 31 million in 1963.

One vessel, the Jean LeFitte, cleared St. Lambert Locks at 6:47 a.m. est Monday, ending the season. Seaway authorities said the four ships still in Lake Ontario are the general cargo vessels Orient Merchant of Greece, Vanfu of Nationalist China, the Flying Independent, U.S. registry, and the Olav Gorm, a Danish flour carrier. A seaway spokesman said they lingered in the system, after being warned to get out, because in other years winter had not fallen so quickly. Last year's closing was on Dec. 15.

Two other vessels, operated by Canada Steamships Lines, had been waiting to move upstream when the locks were closed. The T. G. McLagan and Thunder Bay were heading up the seaway to winter berths but now probably will remain in the Montreal region.

The year was a record one for the number of vessels using the seaway. By the end of November, 6,655 ships had sailed through the eastern section of the seaway, up from 6,087 in 1963. At the Welland Canal section, there were 8,065 up from 7,249.

Shipping started April 8 this year in the eastern section and March 29 in the Welland area.

Chairman Burch Plans Appeal To GOP Committee

WASHINGTON (AP) — Republican National Chairman Dean Burch, beset by critics within his party, plans to take his case to the GOP National Committee with a letter spelling out his views on leadership and party issues.

Burch said in an interview Monday night that he would draft a detailed summary of his own views and send it to the 132 National Committee members who meet in Chicago Jan. 22 and 23 to decide, among other things, whether to retain Burch, chosen last July for his post by GOP presidential nominee Barry Goldwater.

Earlier, Burch said both he and Goldwater could accept and endorse a policy statement issued Saturday at Denver by Republican governors calling for GOP "leadership which clearly represents a broad view of Republicanism." Some governors described the statement as a call for Burch's ouster.

Burch commented after he announced the resignation of John Grenier, his right-hand man since July, as executive director of the National Committee.

The national chairman's statement brought an immediate response from Idaho Gov. Robert E. Smylie, chairman of the GOP governors group, who denounced it as "a hollow and shallow promise" and "a desperate reaction to the very apparent fact that the Republican National Committee is swinging heavily against him and his leadership."

Gov. Mark Hatfield of Oregon said he thought "it would be very difficult to carry on in a more inclusive manner . . . until some very specific acts have been made which would demonstrate more than just words — actions as well as words." He declined to specify what actions he meant.

Guerrillas Kill 3 Americans

SAIGON, South Viet Nam (AP) — Viet Cong guerrillas overran a small outpost at the southern tip of Viet Nam today, killing three American soldiers and nine South Vietnamese.

Ten Vietnamese soldiers were wounded in the surprise attack by about 50 Communists.

The casualties brought the total of Americans killed in action in South Viet Nam to 229 since December 1961.

Two of the Americans killed today were infantry officers and the third was an enlisted man. Their outpost 125 miles from Saigon apparently was being used as the command post in an operation. The Viet Cong force, small by usual standards, probably infiltrated the post before opening fire, a U.S. source said.

In the An Lao mountain valley, 30 miles northeast of Saigon, Viet Cong guerrillas were making a determined attempt to overrun a district headquarters. The battle was still going on tonight, a U.S. spokesman said.

Mariner Loses Target Of Star On Mars Cruise

WASHINGTON (AP) — Space officials say the Mariner 4 Mars spacecraft has lost contact with its guiding star Canopus — possibly because of a speck of space dust — but they expect to command it to regain its lock on the star.

The loss of lock on Canopus does not affect Mariner's course, which is expected to take it near Mars next July 14. It does affect its attitude, which could be of great importance when it reaches Mars and tries to photograph the planet.

Broader State GOP Leader Base Proposed

LANSING (AP) — Republican State Chairman Arthur Elliott will recommend to Gov. George Romney later this week a plan for a Michigan GOP conference designed to broaden the party's leadership base.

Romney said Monday the state should expand its base in a manner similar to that recommended for the national GOP by Republican governors.

"I'm very enthusiastic about the idea," said Elliott. "I'm paring a recommendation for him which will reach him in a few days."

Romney said the state central committee does not represent such elements as office-holders, youth organizations and women's groups.

Elliott said he had tried to bring such groups into the party organization by giving their members honorary positions but this was limited participation.

Romney wants a leadership council to work on conference plans before the state GOP convenes in February. Elliott said the eventual conference might involve several hundred persons.

Romney said similar conferences had dealt previously with party policies and principles but not with organization.

Early Start Urged

Elliott said there is merit in legislation which would leave party mechanism up to state conventions after first protecting "the representative factor which should be present in each party."

The central committee currently is composed of four representatives from each of the 19 congressional districts, plus the state chairman and vice-chairman.

For a time an advisory group of about 25 persons selected from fund-raising, office-holding and other elements of the party met periodically with Elliott. But this was suspended during the campaign.

Opposed To Burch

In a statement issued Monday, Elliott praised accomplishments of the governors' conference and put himself in the camp of those opposing national chairman Dean Burch, without naming Burch specifically.

"In the rebuilding process the party must be represented by national committee leadership that has the confidence of all elements trying to rebuild the party. . ."said Elliott.

Later he said he did not want to personalize his point of view but also stressed he is "in that group which makes it perfectly clear there must be at the head of the committee an individual broadly accepted by all elements of the party.

"He must present a philosophy that the public feels is a consensus of philosophy instead of philosophy of one special element."

Elliott will sit with the national committee when it considers the Burch question Jan. 22-23 in Chicago.

Senate Inquiry In Baker Case Calls Lobbyist

WASHINGTON (AP) — A Senate probe of Bobby Baker's financial dealings and his role in an alleged political payoff appeared headed today for a climactic decision on its future.

The Senate Rules Committee, resuming the inquiry after a weekend recess, called a Washington lobbyist friend of Baker for questioning about a $5,000 payment from a California bank.

The committee planned to ask lobbyist Wayne Bromley what he did for the Redwood National Bank of San Rafael, Calif., to earn the money and whether Baker received any of it.

The bank contends Bromley was paid only a "perfectly normal" fee as an attorney for services performed in 1962-63. Sen. John J. Williams, R-Del., has pictured it as a payment for lobbying activities.

Williams told the Senate in a speech last July 27 that the $5,000 check from the bank was cashed by Baker at the Senate disbursing office after Bromley endorsed it but that he did not know what was done with the money. Baker at the time was secretary to the Senate Democratic majority. He resigned later under fire.

Republican and Democratic members told reporters the committee probably would meet in a closed session later in the day or Wednesday to consider how far to press its stormy, often politically flavored investigation of Baker's outside business dealings.

Protest Attack In East Java Led By Reds

JAKARTA, Indonesia (AP) — A mob protesting America's policies toward the Congo and Malaysia stormed the U.S. Information Service library in the East Java capital of Surabaja Monday night, burning books, furniture, a mobile unit and a car.

It was the second U.S. library attacked by Indonesian demonstrators in four days. A mob stoned and sacked the American cultural center in Jakarta and its library last Friday, destroying about a fourth of the library's 15,000 books.

Windows Smashed

The Communist-led demonstrators are protesting America's participation with Belgium in the rescue of white hostages from Congolese rebels and U.S. support of Malaysia, which Indonesian President Sukarno has threatened to crush.

USIS Director Paul Neilson told a news conference a mob of about 1,000 banner-waving demonstrators smashed windows to enter the Surabaja library, which had been closed and locked in anticipation of trouble.

The mob hauled down the American flag and raised the Indonesian flag, wrecked the interior of the library, then threw furniture and books outside and built a bonfire with them.

The director of the library, James McHale, informed Neilson about a fourth of the library's 16,000 books were destroyed.

Police Too Late

No American staff members were in the building, and Indonesian employes in the building were not hurt.

Neilson said Allan McLean, American consul at Surabaja, reported the "lightning raid" lasted half an hour.

An embassy spokesman said seven policemen were on duty in front of the library but could not cope with the mob. He said reinforcements arrived after the demonstrators had wrecked the library and were about to leave.

McLean tried to contact the Surabaja authorities but no one was available to see him, Neilson said.

American Ambassador Howard P. Jones is protesting the Surabaja attack to officials in Jakarta. The embassy has not yet received an answer to its note protesting the attack on the Jakarta center.

Neilson and Jones planned to fly to Surabaja Wednesday to assess the damage.

Rep. West Faces Prosecution On Fraud Charges

DETROIT (AP) — Alleged masquerader Daniel W. West, a Michigan state legislator, faced prosecution in state and federal courts today as well as a hearing by his legislative peers.

All this was in the immediate future for West, 54, Detroit Democratic member of the Michigan House of Representatives charged with hiding a prison record for 10 years by claiming a deceased New York lawyer's reputation as his own.

Twice Monday West was in court.

On the first occasion, while West was appearing in a state court in a vote registration fraud case, federal agents arrested him in what the government called a possible $250,000 income tax swindle.

West was transported by car a few blocks through downtown Detroit to the federal building.

Declines To Talk

U.S. District Judge Thomas P. Thornton, refusing a request by West's attorney for lesser bond, set bond at $10,000 and ordered an examination Jan. 6. "Under the circumstances, the bond is reasonable," the court said.

West, in dark-rimmed glasses and wearing a business suit with white handkerchief in his breast pocket, declined to talk to newsmen before or after his two court appearances. He had separate lawyers for his court appearances.

The government planned to go before a federal grand jury today asking indictments against West in the alleged income tax swindle.

The Internal Revenue Service said West, representing himself as a tax consultant, prepared phony tax returns for more than 1,500 Detroit area residents.

Tax Swindle Alleged

The IRS said West collected at least $22,000 from fraudulent returns since 1960.

The state's case against West charges that he induced voters to register fraudulently for him in the 24th state legislative district (Detroit).

West won election. Previously he represented the 2nd district. after legislative reapportionment West chose to run from the predominantly Negro 24th.

Recorder's (Criminal) Court Judge Arthur J. Koscinski ordered a $500 surety bond for West and set this trial for Dec. 14. West had stood mute to the charge Sept. 24 and a plea of innocent was entered for him. He asked a jury trial.

Wage Law Takes Effect Jan. 1

LANSING (AP) — Employers have been reminded by Atty. Gen. Frank Kelley that Michigan's new minimum wage law, calling for a base pay of at least $1 an hour, goes into effect Jan. 1.

The new law applies to alll types of employment including service establishments such as hotels, motels, nursing homes, dry cleaners, laundries, retail stores and gas stations. Farm employment also is covered.

It does not apply to employers subject to the minimum wage provisions of the federal law, such as those engaged in or producing goods for interstate commerce.

Kelley said the law requires, among other important major provisions, that:

—All employers who are not subject to the federal minimum wage law and who employ four or more persons between the ages of 18 and 65 at any one time are covered.

—Any employe between the ages of 18 and 65 who works for an employer for more than 13 weeks in any four consecutive three-months periods is entitled to be paid the minimum wage.

—Seasonal as well as permanent employment is included.

—Room and board provided to the employe may be determined by the wage deviation board to be a part of the minimum wage paid to such an employe.

Union Ratifies AMC Contract

MILWAUKEE (AP) — United Auto Workers Local 75, voting Monday for the second time on a proposed contract with American Motors at the Milwaukee body plant, ratified the agreement by a margin of slightly less than 1,000 votes.

On Nov. 29, the local rejected the same three-year agreement proposals. But only 2,638 of the 9,000 members participated, and a new vote was ordered by local officers.

Roy Johnson, chairman of Local 75's election committee, said the vote was 3,856 for ratifying the [illegible] contract and local plant working agreement 2,868 for rejecting it. Johnson said a total of 6,746 ballots were cast and 22 were voided. The vote was conducted at plant gates.

The vote for rejection last month was 1,360 to 1,278.

Castro Minister, Told He's Fired, Shoots Himself

MIAMI, Fla. (AP) — Cuban Labor Minister Augusto Martinez Sanchez, notified that he was being dismissed from his post, shot himself in the head today, Havana Radio said.

A broadcast heard in Miami said his condition was reported as serious. The shooting occurred at 1 a.m., the radio said, but gave no further details.

Bus Driver Dies After Collision; 15 Pupils Hurt

DETROIT (AP) — The driver was killed and some 15 pupils injured today when a school bus and an oil tanker truck collided today on Telegraph Road in suburban Taylor Township.

The driver of a station wagon which plowed into the wreckage of the vehicles was reported hurt seriously.

There were about 50 Taylor Township High School pupils aboard the bus.

Bus driver Cecil Smith died shortly after admittance to a hospital. School authorities said he was a veteran driver with a fine safety record.

Clue Awaited From Soviets On Debt Owed U.N.

UNITED NATIONS, N.Y. (AP) — The United States has delayed its policy speech to the U.N. General Assembly for another week in hopes the Soviet Union will give some clue by then to what it intends to do about its peace-keeping debt.

The postponement — second in a week — disappointed many delegates anxious to learn the Johnson administration's position on U.N. issues.

The United States also is awaiting the return of ailing Secretary-General U Thant, who took over the financial negotiations shortly before he went to the hospital with a gastric ailment last Friday.

A U.N. spokesman announced late Monday that Thant will be back on the job by the middle of next week. A U.S. source said the United States will speak in the assembly about then.

The United States wants to confer with Thant on the progress of his financial negotiations before deciding how hard a line to take in the policy debate.

The State Department said it was giving close study to Soviet Foreign Minister Andrei A. Gromyko's speech to the assembly Monday in which he charged that U.S. policy in Europe, Asia and Africa imperils world peace.

U.S. Ambassador Adlai E. Stevenson issued a statement denouncing Gromyko's speech as "harsh cold-war talk" and expressing hope that it was "more propaganda than policy."

State Department officials in Washington said privately that the Soviet foreign minister offered little new and that Moscow seems to be marking time on major issues.

Gromyko made no direct reference to formulas being advanced to solve the U.N. financial crisis created by Soviet refusal to pay peace-keeping assessments.

Phoenix Man, 22, Held In Killing Of Twin Brother

TEMPLE CITY, Calif. (AP) —Officers arrested a wealthy 22-year-old Phoenix, Ariz., man today in connection with the fatal shooting of his twin brother.

Sheriff's deputies in this Los Angeles suburb booked Timothy Nicholson on suspicion of murder after the body of his brother, Todd F. Nicholson, was found in the brothers' $400,000 apartment house Monday night. Todd had been shot in the chest with a .22-caliber rifle bullet.

Earlier, the shooting was listed as accidental, but Timothy was booked when it was learned two shots had been fired and Timothy was unable to give a clear account of the incident, officers said.

The brothers flew here from Phoenix in their private plane last week. Each inherited $500,000 from their father when they were 18 and were co-owners of the Sun Investment and Developing Corp., officers said.

Cable Car Over Detroit River Gets Windsor OK

WINDSOR, Ont. (AP)—Windsor voters have elected W. John Wheelton mayor and approved by a 3-to-1 majority a proposed cable car across the Detroit River.

Wheelton, a city alderman for 12 years, will succeed retiring Mayor Michael J. Patrick. He defeated Albert H. Weeks, a former alderman, in a nonpartisan election by 2,400 votes.

Lake Shipping End Near; Last Boat Dec. 27th

The 1964 lakes shipping season moved toward its closing with ore loading at Escanaba plagued by cold weather and the prospect that the last boat, a tanker, will clear the narbor on Dec. 27.

Signal of approaching winter and the end of the navigation season was the presence of the Coast Guard Cutter Mesquite here Monday. The cutter was picking up buoys and other navigation aids before the freeze-up.

At Minneapolis Shoal lighthouse, set 12 miles south of Escanaba in northern Green Bay, BMCS Alexander Macko, officer in charge, and his crew of three men are counting the days before the closing of the light about Dec. 14 or 15.

Light To Close

The closing date is tentative and it may be later for Chief Macko and ENI Harold Lockwood, BMI Donald Sothoron and SN Charles Partek. They will not be able to get off the crib light until the Plum Island (Wis.) Coast Guard sends its 40-footer out and unloads them at Escanaba, together with some of the more delicate electronic equipment from the light station.

There is an automatic light left burning in the tower atop the Minneapolis Shoal crib throughout the winter to guide ice fishermen. Chief Macko will go to his home at Toivola, Lockwood's home is Fayette, Iowa, Sothoron lives in Escanaba, and Bartek is from Garden City, Mich.

The loading of iron ore at Escanaba by the Chicago & North Western Railway is proceeding slowly because of the cold weather.

L. A. McMillan, dock agent, said the thawing of regular ore has been halted and about 1,000 carloads (close to 66,000 tons) stands frozen in the ore yards. It will wait there until spring and warm weather before it is moved to the dock for loading.

'Tough Ending'

Only pellet ore is being shipped now. The pellets that come directly from the processing plants near Iron Mountain and Ishpeming are dry and can be handled without difficulty despite the freezing weather.

But about one-half the pellet ore coming in is from stockpiles on which rain and snow have fallen. Because of the moisture the pellets are frozen in the cars and have to be thawed in the North Western's infra-red ore thawing plant before they can be loaded into the dock and thence into the waiting ore boats.

"This is a real tough ending to an otherwise good year," said McMillan. "The receipts of ore are over 6½ million tons —but that does not mean we will be able to ship that much. The last ore boat has not yet been scheduled but it will be about Dec. 14 or 15."

Last year the ore shipping season closed on Dec. 16 and the season total was just over 5,000,000 tons.

About 10 more tankers are scheduled to dock at Bay de Noc terminals, according to oil company officials.

More Tankers

Robert Haack, superintendent of the Standard Oil Terminal at Escanaba, said the Amoco Wisconsin is scheduled to load at Whiting, Ind., for its last trip here Dec. 26. The Amoco Wisconsin is also expected in today and Dec. 19, while the Amoco Indiana is due Dec. 17, Haack said.

Theisen Clemens Oil Co. spokesman at Kipling said the Chicago Mobile is expected late this afternoon and that the Polaris is due to return next Tuesday or Wednesday. Boats are scheduled for Dec. 11 and Dec. 18 for the Shell Terminal at Wells, according to superintendent Herman Kornegor.

Monroe Bouchet, superintendenut for the Wade Corp. terminal at Bay View, said three boats are expected, the Amoco Michigan tonight and two more later this month.

Marathon Oil expects the tanker Martha Allen to dock at its Gladstone terminal on Dec. 14. Port Foreman Francis Tracy warned ice fishermen not to place fish houses in the shipping channel.

SENTINEL OF northern Green Bay waters is Minneapolis Shoal lighthouse 12 miles south of Escanaba. The U.S. Coast Guard light station will close about Dec. 14 or 15 and its crew of four men will be brought to Escanaba.

MRS. EDWARD KIRMSE

POWERS—Funeral services for Mrs. Edward A. Kirmse of Rte. 1, Powers, were held at 11 a. m. Monday at Kell-Tondin Chapel in Spalding with the Rev. Fr. Walter Franczek officiating. Burial was made in Nadeau Township Cemetery. Pallbearers were Leo Buskowski, Arthur Kelling, Clarence Revord, Allen Mikus, Melvin Arndt and Walter Johnson.

Guard Recruit Plan In Effect

A recruiting plan to increase the serength of Company E, 107th Engineer Battalion, Michigan National Guard, to its authorized total of 86 enlisted men is announced by Capt. George Anderson, unit commander.

The plans have been detailed to the 10 non-commissioned officers and to many of the enlisted men of the Company, who have been assigned areas of Delta County for the drive. Information will be presented and posters erected throughout the county.

"Company E has been put on probation recently by the National Guard Bureau for not obtaining its total of enlisted men," said Capt. Anderson. "This can be serious if the unit does not at least pick up 10 men by the end of December."

"A unit which remains under strength can lose its Federal recognition and become deactivated," he continued. "This would be a great loss to the Guardsmen with years of military service and to the community through the loss of payroll and funds spent locally."

Company E has enlisted two more men — Norman Arnold of Escanaba and Kenneth Iverson of Escanaba Rte. 1 — to bring the total up to 73 men.

A new regulation now in effect allows Guardsmen to make up training assemblies missed by attending two separate evenings during the month. First make-up evening will be Dec. 17. This allows men who work "dificult" shifts or have emergencies to get pay and eredits for drills missed.

Mrs. Loeffler Dies In Detroit

Mrs. Maude Loeffler, 75, widely known life-long resident of Escanaba, died at 1 a. m. today at Holy Cross Hospital in Detroit. She had been making her home with her son, Robert, 78405 Connor St., Centerline, Mich.

Mrs. Loeffler was born in Escanaba Feb. 16, 1889. She leaves two sons, Robert, Centerline, and Donald of Utica, seven grandchildren, three great grandchildren and one sister, Mrs. Horace Provo of Escanaba.

The body was taken to the George Rudy Funeral Home in Centerline and will be brought to Escanaba to the Boyce Funeral Home Wednesday. Friends may call there Thursday from 3:30 to 9:30 p. m. and the parish prayer vigil will be held at 8 p. m.

Services will be held Friday at 9 a. m. at St. Joseph's Church with burial in Holy Cross Cemetery.

Arthur DeLaire Dies Suddenly

Arthur J. DeLaire, Sr., 68, of 319 N. 15th St., retired Chicago & North Western Railway telegrapher, died suddenly at 3 p.m. Monday. He was stricken while visiting at the home of his daughter, Mrs. Alan Flagstadt, 505 S. 14th St.

He was born in Escanaba Jan. 7, 1896, and was a lifelong resident of the community. He retired three years ago. He was a member of St. Patrick's Church and the Railroad Veterans Association.

Surviving are his wife, the former Mathilda Morreau, two sons, A. James, Escanaba, and Robert J. of Chula Vista, Calif., two daughters, Mrs. George (Ileen) Bathke and Mrs. Flagstadt, the former Joan DeLaire, Escanaba, ten grandchildren and a half sister, Mrs. Martin Schroeder, Escanaba.

Friends may call at the Allo Funeral Home from 3 to 9:30 p.m. Wednesday and parish prayers will be offered there at 8 p.m. Funeral services will be held at St. Patrick's Church Thursday at 9 a.m. The Rt. Rev. Msgr. Martin B. Melican will officiate. Burial will be in Holy Cross Cemetery.

OFFICERS OF THE Delta County 4-H Club junior leader organization were elected Saturday. They are, from left to right, Tom Safford, Ensign, treasurer; Sue Sundberg, Ensign, vice president; Cindy Safford, Ensign, president; Helen Knaus, Cornell, reporter; Joy Schaut, Pine Ridge, song leader; Sandy Waak, Rock, secretary.

Briefly Told

Local 110 of Pulp, Sulfide and Papermill Workers Union will meet at 7 p. m. Wednesday at VFW Hall to elect officers. Regular meeting will start at 7:30 p. m.

The W.S.C.S. of the Bark River Methodist Church will meet at 8 p.m. Wednesday at the Church. The church choir will be honored and there will be special music in a special Christmas program.

PCA Personnel Attend Meeting

Manager R. B. Spink and Directors Martin Witte, vice-president, Bark River, and Marion Pierce, Wilson, of the Production Credit Association of Escanaba, attended a two-day meeting in Wausau on Dec. 3-4.

PCA directors studied ways in which they could better fulfill their responsibilities to their local associations. PCA managers met separately under a continuing program of management development sponsored by the Federal Intermediate Credit Bank of St. Paul.

PCA managers and directors met as one group the second day to discuss the changing needs of agriculture and to explore new and better ways to serve the farmer members of their local Production Credit Associations.

Car Crashes Injure Three

Three persons were hurt, none seriously, in traffic accidents in Escanaba on Monday, it was reported by city police.

Mrs. Leroy H. Smith, 52, of Escanaba Rte. 1, was bruised when the car she was driving made an excessively wide turn and struck another auto driven by Susan Lee Johnson, Gladstone Rte 1, who was slightly hurt. The accident occurred on Ludington St. near 12th St. at 6:49 p.m.

Mrs. Smith was charged with reckless driving, pleaded guilty in Municipal Court today, and was ordered to pay a fine of $50, costs of $5, or serve 15 days in jail.

Her husband, 56, a passenger, pleaded guilty to being drunk and disorderly and was ordered to pay a fine of $25, costs of $5 or serve 15 days in jail.

Hans C. Gudwer, 66, of Bark River Rte. 1, apparently injured in a car accident in the 500 block, S. 23rd St., at 8:30 a.m., was in St. Francis Hospital today. Gudwer reported the accident to police at 11:45 a.m. Monday.

The other car was driven by Roy Christensen, 1223 N. 16th St., Escanaba. Gudwer's injuries were not believed serious.

Police on Monday ticketed Earl E. Smith, Escanaba Rte. 1, for speeding.

Cub Scouts Hold Annual Party At Ford River

Cub Scout Pack 430 of Ford River held its annual Christmas party at the school Sunday, Dec. 6, for all Cub Scouts and their families.

Santa Claus distributed candy and peanuts to the children and carols were sung by the entire group, accompanied on the piano by Mrs. Tom Brayak.

Rev. Lowell Fox gave the invocation, after which a planned pot-luck supper was served. After the meal, the children exchanged gifts.

Cash donations are being sent Father Flanagan's Boys' Town and to the local Salvation Army from the Ford River unit.

Walter Mokszycke, Cub Scoutmaster, announced that this would be the final get-together of the Ford River Cub Scouts because at present there are too few boys in this age group in the area to carry on a full-time Cub Scouting program He expressed the hope that next fall a reorganization would take place to reactivate the program in Ford River. He expressed thanks to the committeemen and den mothers for their conscientious work in the past years. Mokszycke has been tireless on behalf of the Scouting program.

Nu-Way Begins Modernization

Remodeling of the entrance and construction of an addition has begun as part of a general modernization project at the Nu-Way Cleaners, 106 N. 15th St.

Milton McGovern, Nu-Way proprietor, said the modernization will provide improved facilities for the operation of the business and greater convenience for the firm's customers.

The building, now 24 feet wide, will be extended to 35 feet to provide the additional space the growing business requires. Front of the structure will be angled and recessed, with glass and stone treatment in an attractive design.

On the side there will be a second customer service doorway off a driveway-parking area. This drive-in will be covered to provide all-weather protection.

After the remodeling and the holiday rush Nu-Way Cleaners proposes to next consider redecorating the interior.

The contractor on the modernization project now under way is Roy and Don Ness of Escanaba.

Voters Reject School Levy

RAPID RIVER — Supt. Walter Peters of the Rapid River Public School District, encouraged by gains despite defeat Monday of a proposal to levy a three mill tax for three years for school operating expenses, said today he expects the Board of Education to move "as soon as possible" to resubmit the proposal.

The vote yesterday was against the proposal 262 to 218. In a July 13 election, the same proposal was beaten 287 to 134.

If approved, the additional millage would have raised about $17,500 per year for operating expenses of the school district.

Defeat of the proposal, according to Peters, "imperils the budget" for the 1965-66 school year.

"We simply cannot get along much longer without this additional millage," he said. "We're the only high school district in Delta County which doesn't exceed the state minimum (8 mills) to be eligible for state aid."

Peters said the school system suffers from overcrowded classrooms, has urgent need to replace outdated textbooks, take care of neglected maintenance work and to purchase needed educational equipment.

The Rapid River school district employs 18 teachers for an enrollment of 506, Peters said. There are some classes on the elementary level in excess of 45 pupils per teacher and there are 44 and 42, respectively in the 7th and 8th grade classes, he said.

The vote by precincts yesterday was, Masonville Township (precinct 1), Yes 145, No 171; Bay de Noc Township (precinct 2), Yes 22, No 28; Ensign Township (precinct 3), Yes 51, No 63.

Land on Tokyo's main street, the Ginza, costs nearly $500 a square foot. The Japanese say of the amusement and shipping district, "A pound of Ginza clay is worth a pound of gold."

Retarded Chapter Asks Gifts For Hospital Inmates

The Delta County Chapter of the Michigan Association for Retarded Children is again soliciting gifts for the Children's Unit at Newberry State Hospital.

"This area's response to last years appeal was most gratifying and each hospitalized child received at least one gift," said President Albert Valind. Many of the 400 retarded children are forgotten and although some are physically adult, they all derive a child's delight from the Christmas holiday.

"Santa will visit all of the children on Christmas Eve, but without your generous support, there may not be enough gifts for all. Would you help provide a gift for an otherwise forgotten child?

"Most frequently forgotten are the older patients who enjoy coffee, pipes, phonograph records, embroidery work, shaving lotion, cosmetics, jewelry, cigarettes, stationery, and clothing. The younger children enjoy dolls, pull toys, balls, all types of games, rubber and plastic toys, etc.

"Your contributions may be left in the boxes that are to be found in all the banks of Delta County, who are cooperating in the effort to help these forgotten children. Gifts need not necessarily be new and need not be wrapped.

"As in the past, all gifts will be transported to the hospital by the courtesy of Clairmont Transfer and gifts may also be brought direct to its headquarters.

Newness!

No other Cadillac ever offered so much so new in a single year. Its styling and performance add exciting new dimensions to Cadillac distinction. Drive this car to discover its true greatness.

And when should you drive this greatest of all Cadillacs? As soon as you can! Never in history has a Cadillac delivered so much power so effortlessly or with such authority. Nor has any automatic transmission permitted such response with such smoothness. Then there is a new frame and a completely new suspension system that provide a sureness of cornering and a stability on rough roads that even veteran Cadillac owners find hard to believe. And there is such personal equipment as a new and exclusive steering wheel that both tilts and telescopes to fit your favorite driving position; lights that stay on automatically for 90 seconds to guide you into your house; and Comfort Control that maintains interior temperature season to season with a single setting. Want to know more? A Cadillac's greatness is best explained by the car itself. Drive one soon at your Cadillac dealer's!

So new! So right! So obviously Cadillac

Worse Than Everglades

The Milwaukee Journal headlines an article from DeTour in the Upper Peninsula: "Area of Peninsula Called Rougher Than Everglades."

It explained that "the eastern end of Michigan's Upper Peninsula is even more difficult to map than the Florida Everglades, according to a map maker who has worked in both places.

"James Williams, of Rolla, Mo., an engineer in the Topographic Division of the Interior Department, says the DeTour-Drummond Island area is the worst he has encountered in 18 years of topographical mapping. He found the big Gogomain swamp north of Goetzville impenetrable and was forced to work the swamp from the outside, relying on aerial photos and other devices to establish contour lines."

* * *

We have referred this report to the Society for the Protection and Preservation of the Good Name of the Upper Peninsula and it has come up with the following report:

"Our researches reveal that while there is some truth in the article, it seems inspired more by the dull season in U.P. news than by the topography of Chippewa County. Suspected is one Woody Jarvis, an able scrivener who knows that people do not want to read about topographical mapping unless the subject is Jayne Mansfield.

"So Woody, or Mrs. Woody—she's an able scrivener, too—sold the Gogomain Swamp to the Big City newspapers again. This swamp has been sold more than the Brooklyn Bridge and its selling really takes more finesse, because it can be sold only to big newspapers and journals and not to country bumpkins. And editors are suspicious.

"But who would disbelieve a mapmaker on federal government business? He has the ring of authenticity and 18 years of experience kicking alligators around in the Okeechobee swamp. If you disbelieve him he can call himself a cartographer and that clinches it. And he says "In the Everglades, at least, we could get through; in the Gogomain we simply couldn't get through. It was impenetrable."

* * *

"This explains, of course, why Chippewa County hasn't used the swamp as a tourist attraction. It is like Fort Knox, you can look at it from the outside, but you can't touch the gold.

"Earl Closser, now a wealthy realtor in Marquette, and James Ripley, managing editor of the Menominee Herald-Leader, used to sell the Gogomain to the big city newspapers when they worked on the Sault Ste. Marie Evening News. They didn't have any map makers to help them, so they usually got some lost person to do it.

"Ripley still insists that his uncle, James A. McKenna Jr., of the Sault was lost for three days in the Gogomain in the early 1920s. He went into it fishing and the swamp, insists Ripley, has a river which goes underground and surfaces again four miles away. It is not suggested here, that even a river cannot get through the swamp, but the facts speak for themselves.

" 'Uncle Jim built a bonfire and sat down for three days,' says Ripley 'and he insisted that the place had more lynxes than Lynxburg; it was full of the tassel-eared varmints. Lots of people have been lost in the Gogomain and died there, according to local legend, but since it is impenetrable their bones cannot be found to corroborate the legend.'

* * *

"There is reason to doubt that any Upper Peninsula fastness is that fast, even a cedar tangle with a blowdown, but there are other reports from the U.P. to indicate that if not truly impenetrable, a U.P. cedar swamp may be hard going for anything bigger than a mink.

"The late Roaring Frank Donnelly of Cedar River explained this while hunting with Turi Sutherland in Turner's Tangle. Sutherland had Donnelly make a deer drive through the swamp to him and he was supposed to holler as he progressed. When he emerged silently, exhausted, Sutherland said "Why didn't you holler, Frank? I might have shot you."

"Holler," said Donnelly "there wasn't room to holler!"

Thirty Years Ago

Undersheriff John Frederickson, for whom an all night search was conducted, returned afoot. His car had been hopelessly mired near Osier, where he had gone two days ago to serve some papers.

Trenary was visited by two destructive fires in the past week. The worst one was the city hall, which was completely destroyed and the other was the Charles Maki home, which will have to be extensively repaired before it can be lived in again.

World Population Increases Yearly By 65 Million

WASHINGTON (AP) — The population of the world in mid-1964 was an estimated 3,283,000,000 and it is growing at the rate of about 65 million a year. In 1980 it is expected to hit 4.3 billion.

The figures were compiled primarily from United Nations estimates. They were released by the Population Reference Bureau to point out the long-range problems posed by the global population increase.

Ann Landers
Don't Get Mixed In This Hassle

Dear Ann Landers: A few days ago I witnessed an incredible scene. A hulk of a middle-aged man, about 60 pounds overweight, sprawled across the form of his critically ill mother as she lay semi-conscious in a hospital bed. The man was sobbing uncontrollably, begging his mother to try to remember what she had done with her will—the one leaving everything to him.

The other members of the family were outraged by his indecent display of avarice. Suddenly he pulled himself together and bellowed, "I hope you have good hospitalization insurance, Mother. These lingering illnesses can cost a fortune."

His brothers and sisters want nothing more to do with him and he has asked me to patch things up. He said his mother loved peace and harmony and that she would be unhappy about the trouble in the family.

I believe they are justified in drumming him out of the tribe. What shall I do?—THERE

Dear There: Stay out of this meat grinder. Whatever truce you might negotiate would be short-lived at best. This is their problem and it should be settled by them.

* * *

Dear Ann Landers: I am a married woman with two teenage children. Five years ago I became involved with a bachelor and became pregnant. My doctor told me I had a tumor —until I was seven months along. You can imagine my shock when he told me I would have a baby within eight weeks.

The little boy is almost three years old, and unfortunately, is a carbon copy of my bachelor friend. No one has said anything but a person would have to be blind not to see the resemblance.

Should I tell the boy who his real father is as soon as he is old enough to go to school? I'm afraid if I don't tell him someone else will and I'd hate to have the child hurt that way. I need your advice. —VIRGO

Dear Virgo: Many look-alikes are not related. Because of your guilty conscience you probably are exaggerating the resemblance in your mind's eye.

Don't tell the child—or anyone else—that your husband is not the boy's father. And for heaven's sake, get another doctor! ! !

* * *

Dear Ann Landers: My wife is one of the sweetest girls in the world. Delores has given me a fine family and we have just about everything we could ask for.

The problem is that whenever we go to a party Delores passes out cold as a mackerel after two cocktails. The poor girl gets into arguments and says insulting things to her best friends. When she begins to remember what she said and did she goes into a depression.

I know Delores is not an alcoholic because she never drinks at home—only when we go out. Moreover, if she were an alcoholic she'd be able to hold more than two drinks, wouldn't she?

This has been going on for two years. Every time it happens Delores takes an oath on her mother's life that she will never touch another drop of alcohol but when she gets out of my sight at a party she's as good as passed out. What can I do to help her?—D. F. L.

Dear D. F. L: Your wife's form of alcoholism is unusual And she needs help. It's useless, however, to try to force help on people who do not believe they need it. When (and if) she expresses the need for help, suggest A. A.

SANTA and the SINGING TURTLE

Synopsis: Prince Chad and the turtle are on the way to Santa Land to the Music Festival. They are followed by a man-witch who is sworn to prevent the Prince from ever returning to his kingdom.

CHAPTER FOUR
THREE TRAVELLERS

"OH DEAR," cried the Prince to the one-eyed Snowman. "There must be something we can do to save you!"

"Nothing at all," said the Snowman sorrowfully. "It happens to my kind every year. Children make us when the snow comes, then forget us when the sun shines. In a little while we melt away and no one even remembers we once were here."

"I know what we could do," said the Prince. Te turned to George who only now ambled his slow way up to them. "We could take him to Santa Land with us! There it is always cold and he would never melt away."

George tossed his head and tapped an impatient foot. "He can't walk!" he said shortly.

"But I can!" protested the one-eyed Snowman. "If I have some place to go to, I can walk. Usually snowmen have no place to go to and that is why—"

"No, no," interupted George. "You can't go with us. It simply makes too much of a crowd and all the commotion has already caused me seriously to neglect my singing."

"Was that you singing?" exclaimed the Snowman "I heard you as your came down the road and I thought to myself I had never heard so noble a sound."

"Eh?" said George. "And is that why you were groaning?"

"Indeed, yes. I moaned to think that I would never hear such sound again."

"I see," said George, puffing up as far as he could inside his shell. "It appears that you have a very good ear for music! Well, I suppose it will not matter too much if you come along with the Prince and me. Only, let's hurry along, for goodness' sake — and no more interruptions, please!"

The Prince gave the one-eyed Snowman a push to get him started. Then he held the follow's arm to steady him until he got used to moving his big, clumsy legs and was able to stagger along under his own power. Meanwhile, George plodded along in his slow turtle way. Taking everything into consideration, it appeared to the Prince that it was going to take a very long time to get to where they were going. It appeared that way, too, to Womp, the man-witch, who trailed the Prince and was getting very impatient to get his job over with.

But George was in excellent spirits. It was a fine, clear day

As George sauntered along he exercised his remarkable voice.

— the very best kind of day for George's voice — and as he sauntered along he freely exercised his remarkable vocal chords.

He sang through two complete operas, taking all parts, for his voice could cover all ranges from soprano to basso profundo. He was about to begin a third opera when the Prince began to be truly worried and dared to interrupt.

"How much farther to Santa Land?"

"About 40,000 miles roughly, I should say," replied George, opening his eyes for the first time since the walk began.

"Forty thousand miles! We can never walk that far in three days!"

"I don't intend to walk, your Majesty," retorted George. "We will go by Hoppy HopeandPray's underground railway, the entrance to which is not far away. In fact, if I have counted my steps correctly it should be around the next bend in the road."

Sure enough, when they rounded the next bend they came upon a hollowed-out oak tree. On it was a sign saying

"Hoppy HopeandPray's Underground Railway."

"What a strange name!" said the Prince.

"Not at all," replied George. "You just hop on and hope and pray you get there!"

Tomorrow: A Dizzy Ride

Bailey May Resign

By BRUCE BIOSSAT

WASHINGTON — (NEA) — Ill-founded rumors of his departure have beset Democratic National Chairman John Bailey during most of his nearly four years in office.

Now, for the first time, this speculation seems to be taking on genuine substance.

One source close to the White House guesses that Bailey might resign shortly after President Johnson's inauguration Jan. 20.

Bailey is said to be anxious to get back to his Connecticut law business. The White House is known to have extended at least one feeler toward a possible successor to Bailey, but the man in question disavowed interest in the job.

One rumored replacement is Clifton Carter, longtime Texas friend and aide to the President, who took up unofficial station in the National Committee setting last January. But Carter is not deeply versed in national politics.

* * *

Another friend to Johnson says: "I think the President will do the traditional thing and go to an Irish Catholic."

Yet the aforementioned feeler was not made to an Irish Catholic, suggesting that Johnson may not be tightly committed to this idea.

Should Johnson, however, finally decide to choose an Irish Catholic, the most obvious choice, of course, is Lawrence O'Brien, who wants to detach himself as the President's chief liaison man with Congress.

O'Brien is acknowledged to be a superb political organizer. He is the author of a compact organization manual which is considered a model.

Sen. Barry Goldwater has candidly conceded that his forces made heavy use of it in his successful 1964 fight for the GOP presidential nomination.

* * *

The late John F. Kennedy once told a friend that "Larry is the best elections man in the business." Johnson himself made ample use of O'Brien's political judgments in the campaign just concluded. Communication between the two men was constant.

Nevertheless, as a driving Kennedy organizer, O'Brien inevitably left a trail of adversaries and detractors. His continuing identity as a "Kennedy man" could be a handicap to him at this moment.

Some reports say friends of Vice President-elect Hubert Humphrey would like to bar any clearly identifiable Kennedy man as a Bailey replacement. They fear such a man would tend to undercut the presidential prospects of Humphrey and advance those of the late President's brother, Senator-elect Robert F. Kennedy of New York.

One knowledgeable Democrat doubts, however, that the President will be governed by this consideration. Even assuming Humphrey might be able to influence him in such a matter, this Democratic source believes that the decisive phase of the Humphrey-Kennedy rivalry is too far distant to be a serious factor now.

The President's choice, when and if it has to be made, is expected to reflect most sharply what he thinks is best for himself and his party in the years up to 1968, when he should be running for his second full term.

The Doctor Says:
Allergic Rhinitis Traced

By Dr. Wayne G. Brandstadt

Q — What is allergic rhinitis? What could cause it? My doctor says I have it but he didn't give me anything for it.

A — Allergic rhinitis is closely related to hay fever but is less likely to be seasonal. It may be caused by the inhalation of house dust, certain types of face powder, molds, and animal dander including that of birds. A doctor specially trained in allergic diseases might be able to track down the specific cause in your case and desensitize you or help you to avoid the offender. Meanwhile for temporary relief have your doctor give you one of the antihistaminic drugs.

Q — I have been taking Rauwiloid and Equanitrate for some time. My doctor says I will have to take them for the rest of my life. What are they for?

A — Alseroxylon (Rauwiloid) is a tranquilizer derived from Rauwolfia serpentina, and Equanitrate is a combination of a tranquilizer and one of the nitrates given for angina pectoris. Since angina and coronary heart disease can be controlled but cannot be cured, prolonged treatment is required.

Q — About a year ago I had a hemorrhage from my mouth. My doctor said the blood was from varicose veins in my esophagus. He did an operation that he called a "portal shunt." What is this and will my varicose veins bleed any more?

A — In persons with cirrhosis of the liver there is some obstruction of the portal vein which carries blood to the liver. Damming back of blood in this vein, results, among other things, in a varicose condition of the esophagus. These vessels may be easily ruptured and may bleed profusely. A shunting of the portal blood around the liver is accomplished by transplanting the vein. Since blood is able to reach the liver through the vessels this does no harm and the results are usually good. After such a shunt it is most unlikely that you will have any more bleeding from the esophagus. The next step is to determine and treat the cause of the cirrhosis.

Q — I have been taking Pentritol twice a day. Is it habit-forming? What is it for?

A — Pentaerythritol tetranitrate (Pentritol) is given for angina pectoris. It is not habit-forming. Persons who have glaucoma should not take this or any other of the nitrates given for angina.

Questions And Answers

Q—When did the first baseball game between organized teams take place?

A—On June 19, 1846, in Hoboken, N. J.

* * *

Q—What kind of tree produces the perfect resonance of a fine violin?

A—The silver fir of Europe is used for the top, European sycamore is used for the back.

* * *

Q—Does a sea cucumber have any senses?

A—They have a well-developed sense of touch, but are relatively insensitive to light.

* * *

Q—What is the name of the prod used by an elephant trainer?

A—An ankus.

They'll Do It Every Time — By Jimmy Hatlo

MEMBERS OF the Conference Caravan team, who are in Escanaba to present a special program at Ev. Covenant Church this evening, are, front, Anna Marie Yurs of Belvidere, Ill., (left) and Karen Aust, Minneapolis;

Camera Club Yule Meeting Thursday Night

The Delta County Camera Club will hold its annual Christmas meeting at 7:30 p. m. Thursday, Dec. 10 at the Chamber of Commerce building.

An interesting program has been arranged for the evening. Two movies, about 30 minutes each, will be shown. The first, a Kodak 16mm color movie was taken in the Finger Lakes region of Western New York State. It will show red spinnakers billowing as small craft tackle the home stretch, a Ferrari racing car whining around a 90-degree bend, college football at Cornell, a cattle show at a country fair. It shows hunting in the fall, skiing in the winter, swimming in the summer, wine making, flower growing and flying.

The second movie, in color and sound is an Airstream production, showing a Wally Byam Caravan to Western Canada. The people of Escanaba will recall with a great deal of pleasure the visit of 305 Airstream travel trailers in July of 1963. This was the five day rendezvous point for the Caravan to Eastern Canada and Nova Scotia.

The first movie will start at 8.

Members are asked to invite guests. Coffee will be served at the conclusion of the program. The program will be in charge of J. L. Temby.

Note to new cooks; never forget that poultry stuffings expand during roasting and that the dressing should never be tightly packed when the bird is stuffed.

Evening Circle Christmas Party Monday Evening

The Evening Circle of Central Methodist Church held its traditional Christmas party in the church parlors Monday evening.

Theme of the program was "If We Had Been in Bethlehem". Through meditation, Scripture, music and poetry, people of today asked themselves what they would have done had they been the Innkeeper, Joseph, Mary, the Wise Man or a shepherd.

Readers were Mrs. Irwin TenHaken, Miss Marian Oliver, Mrs. Ralph Anderson, Mrs. Richard Pariso, Mrs. William Baum and Mrs. Don LaVelle.

Joseph was played by Tom Bohn, Mary by Kathy Kelly, the Innkeeper by Susan Benzie, the shepherd, Jim Pariso, and the Wise Man, Bill Baum.

Mrs. Harriet Carlson accompanied the singing of traditional Christmas carols.

An attractively appointed buffet lunch was served by members of Suzanne group.

Carol Johnson Bride Of Gerald Ebbesen

A reception at the Sherman Hotel for 200 guests from Milwaukee, Iron Mountain, Detroit, Rhinelander and neighboring communities followed the wedding of Carol Lillian Johnson and Gerald Wayne Ebbesen of Milwaukee. Parents of the couple are Mr. and Mrs. Earl Johnson, 1228 S. 13th St., Escanaba, and Mr. and Mrs. Harold Ebbesen, 401 Minnesota Ave., Gladstone.

The Rev. D. Douglas Seleen performed the 3 p. m. double ring ceremony Nov. 28 at First United Presbyterian Church.

In the bridal party were Mrs. Karen Challier, Escanaba, matron of honor, Mrs. Carol Derouin, Milwaukee, bridesmaid, Dave Larson, Pontiac, who was best man, Roger Ebbesen, Milwaukee, groomsmen, Don Johnson and Richard Ebbesen, ushers, Patricia Snowaert, flower girl, and John Closs, ring bearer.

The bride wore a gown of peau de soie, fashioned with Sabrina neckline and three-quarter length sleeves. The bodice and front of the skirt were trimmed with appliques of Alencon lace and rosebuds of the fabric. Her bouffant veil was attached to a large cabbage rose. She carried a colonial bouquet of white carnations and red roses.

Her aides were in peacock blue brocade taffeta street length dresses and they carried colonial bouquets of mums in autumn shades. The flower girl's frock was red velvet and she carried red roses and white mums in a white basket.

Mrs. Johnson wore a royal blue knit and Mrs. Ebbesen, blue crepe, with matching corsages.

Assisting at the reception were Patricia Weycker, Dolores Weycker, Karen Sepic and Mrs. Don Hultquist.

The newlyweds are residing at 4269 N. 27th St., Milwaukee after a honeymoon in southern Wisconsin and Illinois.

The bride, an Escanaba Senior High School graduate, is with Allen Bradley Co., and her husband, who is a Gladstone High School graduate, is employed by A. A. Smith O., Milwaukee.

Service Of Advent Season At Immanuel

"Christmas Is For Remembering" will be the theme of the meditation by Pastor Gordon Thorpe at the second of the Advent Midweek services sponsored by the Immanuel Lutheran Church of Escanaba, Wednesday evening at 7:30. Musical numbers will be by Pastor Thorpe and the Golden Carolettes, Immanuel's girls' choir.

The Advent Services are designed as a retreat from the hurry and rush of Christmas preparations, a time to prepare the heart for the coming of Christ. An atmosphere of quiet and reverence is maintained with the aid of soft lights and recorded stereo music.

Next week's program Dec. 16 will be a vocal concert by the Norwegian bass, Odd Wannebo.

Use your waffle iron for desserts when you aren't in the mood to oven-bake. Gingerbread and chocolate waffles are great served with a dessert sauce.

Acident Fatal To Nadeau Man

ALLEGAN (AP) — One man was killed and three other persons were injured Monday in a highway collision in which one of the two cars was torn to pieces.

Three small children, passengers in one car, escaped unhurt.

Joseph La Combe, 70, of Nadeau, an Upper Peninsula town in Menominee County, was killed.

One of the drivers, Roy Batson, 27, of Niles, was injured critically. He was taken to Bronson Hospital in Kalamazoo. Rear and front sections of Batson's car were found 100 feet apart, sheriff's men said.

The cars, going in oppposite directions, collided in a snowfall on slippery M 40 two miles south of Allllegan.

Larry Green, about 28, of Allegan, driver of the second car, and his wife, Linda, about 25, were hospitalized with serious injuries. Green was taken to the Alllegan Health Center and Mrs. Green to Bronson Hospital.

La Combe was a passenger in the Greens' car. Batson was driving alone.

Taken unharmed by sheriff's men from the wrecked Green car were the Greens' three children — Cindy Rogers, 5; Tracey, 3, and Kelly, 1½.

Students Spurn Peace Proposal At California U.

BERKELEY, Calif. (AP) — A peace offer spurned by the University of California's rebel student group comes under the scrutiny of 1,200 faculty members on the Berkeley campus today with a return to order of continued demonstrations for unrestricted politico-social campaigning in the balance.

The Academic Senate — all faculty members with tenure — set a meeting for 3 p.m. to review the squelched peace proposal, listen to alternative plans and announce their opinion.

Insurgent students temporarily suspended until 8 a.m. Wednesday their strike and picketing of university entrances and classroom buildings in an effort to promote a general strike. They said whether or not they resume depends on the Academic Senate's report on the peace plan turned down Monday.

Two Men Change Pleas To Guilty On Hunting Count

Two men who had plead not guilty to conservation charges of hunting with an artificial light changed their pleas to guilty and each paid fines of $50 and costs before Justice Ross Davis of Gladstone Monday.

Benjamin J. Viau, Rte. 1, Rapid River, and Earl Bunno, 1225 Superior Ave., Gladstone, were arrested by conservation officers in Masonville Township on Nov. 29.

Hill Returning To Marquette

GRAND RAPIDS (AP)—U.S. Attorney George E. Hill confirmed today he was leaving the office Dec. 18 to return to private law practice at Marquette.

In a letter of resignation Monday to President Johnson, Hill cited personal and financial reasons "which virtually compel me to return to private law practice." His present $18,500 salary is $3,500 higher than when he was appointed to the post. He has held it since April, 1961.

Hill, 44, a Democrat, served five years as Marquette County prosecuting attorney and then was named chairman of the Michigan Public Service Commission prior to his appointment as U.S. attorney for the Federal District of Western Michigan.

Court sources indicate Hill's successor likely will be named by U.S. District Judge W. Wallace Kent with Hill's assistants, Robert G. Quinn Jr., and David Soet expected to be under consideration.

Senior Play At Rock School

ROCK — The Rock senior class, under the direction of George Kulack, will present "Atta Boy, Walt," a three act comedy, at the high school gym Saturday, Dec. 12, at 8 p.m. In the cast are Lyle Trombly, Butch Kulack, Mike Ruotsala, Bill Toyra, Larry Johnson, Janet Jackson, Sandra Nummilein, Karen Leach and Dorothy Tulla. Tickets may be obtained from any senior or at the door.

WINNERS IN THE First National Bank's "Dress-a-Doll" contest are pictured here holding the beautifully costumed dolls that, with many others, will delight many a little girl's heart this holiday season. From the left are: Mrs. Rose Nelson, 321 N. 13th St., character division; Mrs. Ronald Miller, 3331 8th Ave. S., sensible; Mrs. Hazel Hazen, Garden, fancy; Mrs. William DeHaan, 308 E. 16th St., winner of the grand prize; Kathleen Wallace, 702 S. 12th St., student at Escanaba High School, youngster 15 and under; Miss Betty Chenier, 824 Sheridan Road knit-crochet. Mrs. Art Fountain, Manistique, winner in the nationality class, is not pictured. Honorable mention went to Mrs. Leroy Hereau, Escanaba Rte. 1; Carol Sundelius of 1114 Washington Ave.; Mrs. William Olson, Bay View Location, Gladstone; Miss Carol Jean Arkens, Bark River. Judges of the contest, an annual Christmas project of First National, were Miss Ingrid Tervonen, Mrs. Hope Ryde, Mrs. Ruth Beck, Mrs. Charles Byrns, Mrs. Ruth Needham and Mrs. Doris Swanson. Land Use Story Told To Kiwanis

Projects for the propagation of fish and wild life have become important items in the program of soil conservation in Delta County, Escanaba Kiwanis Club members were told Monday by Irwin Ten Haken, U. S. Soil Conservationist, who showed color photos of several recreation pond projects carried out by land owners of the area.

Since the soil conservation program was started in 1951, a change has taken place in the objectives of soil preservation, Ten Haken said. Contour plowing, new methods of tile drainage, and tree planting are still major items, but recreation has been coming in for increased attention. Conservation district members who accompanied the speaker as guests of the Kiwanis told of ducks, geese, deer and fish brought to their property through the digging of ponds. Some of the man-made lakes also serve a dual purpose in drainage systems. One farmer told of the popularity of his pond as a "swimming hole" for youngsters, and several are now producing trout for fishermen. In the winter, the ponds make ideal skating areas.

The program Monday was arranged by Walter Nelson. John Mitchell gave a report on the proceeds of Kiwanis-sponsored gum machines, which brought in $171.57 to the club during the year, with an average net of $11 to $12 a month. The profits, coming from 41 machines in 34 locations, go into the Kiwanis fund for aiding underprivileged children, and have been used for the purchase of shoes, overshoes, mittens and other apparel for needy children attending schools.

The program next week will be in charge of Albin Olson and next Monday will also be the date of the annual Kiwanis gift collection. Each Kiwanian is asked to bring a wrapped gift or toy for girl or boy, valued at $1, to be included in Christmas baskets distributed to needy families. The annual Christmas program of the club, with children of members and Santa Claus as guests, will be on Dec. 21.

Briefly Told

Delta Chapter No. 118, RAM, will meet at the Masonic Temple at 7:30 p. m. Thursday.

The Escanaba Area School Board of Education will meet at 8 o'clock tonight in the School Administration Building.

The Wee Whittle Wates Tops Club will meet at 7 p.m. Wednesday at Dr. Carl Gray's office.

Bill Rodman of Rodman Lumber & Millwork is attending the Home Builders Show at McCormick Place in Chicago.

The Hyde 4-H club will meet Thursday after school at the Ford River School for rehearsal of the Christmas program to be presented at 8 p. m. Thursday for the Pine Ridge PTA. Members are reminded to bring their music.

George L. Chaudoir, manager of Escanaba's National Biscuit Co. sales branch, is attending the company's annual sales conference at Miami Beach, Fla. Over 600 Nabisco marketing and production executives from all over the country are attending the meeting.

Young men who enlist in the Navy between Dec. 21 and 31 will be granted leave after enlistment at Milwaukee, to expire on Jan. 4 at Milwaukee. On Jan. 4, the young men will depart for San Diego, Calif., or Great Lakes, the base of their choice, for the nine weeks recruit training. The Navy Recruiter is at the Post Office Building in Escanaba, ST6-3154.

Trenary Choir Is Presenting Yule Cantata

TRENARY -- The Trenary Methodist Senior Choir will present the Christmas cantata, "Night of Miracles", by John W. Peterson at the Trenary church Saturday, Dec. 12, at 7:30 p.m. The director, Mrs. William Bucholtz, has been working with the choir for three months on this presentation.

The cantata will be sung by the Trenary group at the Munising Methodist Church Sunday, Dec. 13 at 7:30 p.m. The Rev. James Ritchie is pastor of 7both churches.

Coffee will be served after each program, at Munising by the W.S.C.S. and at Trenary by friends of the choir under the chairmanship of Mrs. Louis Laurich and Mrs. John Knaus, Jr.

Members of the choir are Mrs. Esther Cauchon, Mrs. Duane Birk, Mrs. Andrew Rodgers, Mrs. George Hager, Mrs. Frank Richmond, Mrs. Melby Flygare, Mrs. Mary Spielmacher, Mrs. William Quarfoot, Mrs. Carl Aho, Mrs. William Davis, Mrs. Raymond Sischo Jr., Mrs. Aileen Kivimaki, Mrs. Hugo Mariin and the Misses Ronda Bucholtz, Lynn Mariin, Cheryle Josephson, Lorraine Peterson, Kristine Hager, Stephanie Cady, Shirley Sischo, Karen Hager and Martha Campbell.

The accompanists are Mrs. Vance Davis, organist and Mrs. Peter Nance, pianist. Miss Joyce Carlson will be the reader. A piano and organ duet will be played during the offertory by Mrs. George Hager and daughter, Karen.

BOUNCE—Coach Fred Boddy's Marquettet Baraga Royals bounced back from their loss to Negaunee St. Paul with a 66-62 decision over Gwinn . . . Clutch performer Bruce Pesola came through with a field goal and two free throws in the final minute of the game to provide the margin of victory.

Northern Star On All-State Football Team

By The Associated Press

Unbeaten Albion dominates the 1964 Michigan Small College All-State football team announced today by The Associated Press.

The Britons, who posted an 8-0 record and captured the MIAA championship, placed three men in the line and one in the backfield.

Albion linemen named were end John Ellinger, tackle Terry Methner and center Jon Madill. Dave Neilson was the Briton's lone representative in the backfield.

Frank Goldberg of Central Michigan is the other end, while Olivet tackle George Pyne, Northern Michigan guard Pat Stump and Hillsdale guard Larry Scroby, round out the line.

Bruce McLenna of Hillsdale, who led all scorers in the state this past season, heads a backfield which includes Bruce Wyman of Central Michigan and Irv Sigler of Olivet.

There were a dozen players named to the second team since there was a tie in the voting for the last spot in the backfield between Eglis Lode of Kalamazoo and Bill MacGillivray of Eastern Michigan.

The second team ends are Dominic Livedoti of Olivet and Bernie Schmitt of Northern Michigan. Other linemen on the team are tackles Bob Mallendick of Hillsdale and Bob Phillips of Kalamazoo; guards Bruce Kahler of Olivet and Ken Bickle of Central Michigan and center Dick Willing of Eastern Michigan.

Backs Terry Nyquist of Northern Michigan, Russ Wallis of Albion and Emery Welsh of Ferris State complete the No. 2 backfield.

Coaches and sports writers and sportscasters around the state voted for this year's team.

One look at the first team statistics will reveal why pro scouts have spent much time looking over these players from the state's "small" coleges.

In fact, Methner has already signed a pro contract, while Pyne and McLenna were draft choices.

The All-State first team line averages just under 6-foot-2 and weighs an average of 232 pounds. Including the backs, the team weight average is 218 pounds.

McLenna was Hillsdale's leading rusher and second in pass receiving. He gained 553 yards rushing in 105 carries and caught ten passes for an additional 223 yards.

He scored his 85 points on 13 touchdowns, five kicked extra points and a two-point conversion.

Neilson set an Albion record when he threw 14 touchdown pases, twice hitting receivers for scores four times in a game. He led the MIAA in passing with 577 yards.

Considered one of the top future pro prospects, Neilson is one of three juniors on the first team.

Teammates Ellinger and McLenna are the others.

Sigler was named the MIAA's Most Valuable player after leading Olivet to a 6-3 mark.

Dean Chance Has Low ERA

BOSTON (AP) — Dean Chance, 23-year-old Los Angeles Angels' right-hander, posted the lowest average in 21 years in winning the American League's earned-run championship last season, the official figures disclosed today.

Chance yielded only 51 earned runs in 278 innings for a 1.65 mark, the best since Spud Chandler of the New York Yankees finished with 1.64 in 1943. Chance was named winner of the Cy Young as the majors' outstanding pitcher in 1964 last month.

The Angels' star also pitched the most innings, 278, the most complete games, 15, and the most shutouts, 11. Five of his 20 victories were by 1-0 scores, tying a major league record.

Joel Horlen of the Chicago White Sox was second in the ERA competition with 1.88. He was followed by Whitey Ford of the Yankees, a two-time earned run king, 2.13; Gary Peters of the White Sox 2.50, Juan Pizarro, another Chicago left-hander, 2.56, and rookie Wally Bunker of Baltimore, 2.69.

Bunker had the highest winning percentage, .792, on a record of 19 victories and only five defeats.

Al Downing, the Yanks' southpaw fireballer, was the strikeout leader with 217. He also issued the most bases on balls, 120.

Baltimore reliever Stu Miller gave up the most intentional bases on balls, 14, while Bill Monbouquette of Boston allowed the most hits, 258. Orlando Pena, veteran Kansas City right-hander, permitted the most runs, 126, and home runs, 40.

Cepeda Okay After Surgery

NEW YORK (AP) — Orlando Cepeda, slugging first baseman of the San Francisco Giants, "should be as good as ever" following knee surgery, his physician said today.

Dr. Harrison McLaughlin, club doctor when the Giants were based in New York, headed a surgical team that removed torn cartilage from Cepeda's right knee Monday.

The association said winners of the district games will play at regional sites at Northern Michigan University and St. Ignace. In addition, a spokesman said there's a possibility that the state quarter-final game will be played at Escanaba or Sault Ste. Marie.

Sites for other Upper Peninsula high school sports events also were announced:

Regional ski meet at Ironwood Feb. 19; regional track meet at Houghton (Michigan Tech) date to be announced later; regional tennis Class A and B at Marquette, Class C and D at Wakefield, with dates to be announced later; regional golf meet at Manistique, date to be announced later; cross country meet at Northern Michigan University, Oct. 16.

Michigan Quint Displays Power

ANN ARBOR (AP) — Michigan fans watched a display of depth and basketball power as the Wolverines whipped the Missouri Tigers 91-61 Monday night.

The Wolverines jumped to an early lead, expanded it to 20 points by halftime and added ten more to the Margin in the second half.

It was the season's third victory for the No. 1-ranked Wolverines.

Michigan regulars played less than half the game as Coach Dave Strack emptied the bench.

Bill Buntin led the Wolverines with 14 points. Cazzie Russell and Larry Tregoning scored 12 each. John Thompson added 10 and four others scored eight each.

George Flamank led the Tigers with 14 points and Gary Garner scored 12.

"We are not an unbelievable team," Strack declared, "just a believably good team. We can hurt the opposition in a lot of ways."

The Michigan coach noted that his squad has six potential starters, with the hole left by the graduation of guard Bob Cantrell well on its way to being filled.

"Thompson's performance was fine. He has now played two good games back to back," Strack said. "George Pomey is still a potential starter. I thought John Clawson played well, too."

Missouri Coach Bob Venatta agreed. "Michigan is a great ball club. They overpowered us in every way, especially in rebounding and shooting. Michigan should go all the way unless it has a bad night."

Strack said his squad is improving as the season progresses. "In the Ball State game, we looked worse than we did in practice. We were stronger at Duke. We were pretty much in control tonight."

Michigan State football guard Bob Brawley is also a defenseman on the Spartan hockey team.

Four Ring Champs On Escanaba Squad

Four defending Upper Peninsula champions and a former titlist are among the 14 candidates for the Escanaba boxing team that will compete in the 23rd annual Upper Peninsula Golden Gloves tournament in January.

The Escanaba boxers are drilling daily at Club 314 under the guidance of Leroy Sovey, one-time Upper Peninsula and Wisconsin welter and middleweight king.

Sovey conducts the workouts at the Youth Center gym Monday, Tuesday, Wednesday and Thursday from 4 to 6:30 p.m. and will make it daily drill after the Christmas holidays.

Heading the list of boxers who gave Escanaba the team championship and the coveted trophy last year are defending champions Ron Lindstrom, Fran Roberts, Pud Blowers and Ronald Vanderlinden. Former champ Phil D'Ambrosia is expected to join the squad soon, Sovey indicated.

Lindstrom won the U.P. 135 pound novice title and was named to receive the first annual Escanaba Lions Club scholarship award to Bay de Noc College. Lindstrom is a senior at Escanaba High School and will receive the two-year tuition scholarship upon his graduation.

Blowers won the 160 pound crown, Roberts the 126 pound title and Vanderlinden the 118 pound championship last year, all in the novice division.

Other veterans of last year's classy team who are back in action this year include Terry Sovey, and Wayne Juhl, giving Escanaba seven experienced boxers as a nucleus of this year's squad.

Other boxers working out with the squad this year include David Tebear, Mike Deresha, Tom Larson, Jim Provo, LeRoy Scheeneman, Dick LaCosse, Tom Oliver, Wayne Smoot and Louis Berube.

The Upper Peninsula tournament dates have been tentatively set for Jan. 30 and Feb. 13 at the Holy Name High School gym. Champions of the Upper Peninsula tournament will advance to Green Bay on Feb. 20 to face the titlists from the Fond du Lac tournament. The Wisconsin state finals will be staged at Kenosha and the national finals at Kansas City.

Upper Peninsula boxers are expected here from Manistique, Menominee and Sawyer Air Base in addition to the local entries.

Michigan Tops College Poll

By The Associated Press

Michigan's powerful, veteran Wolverines, who have romped through three games without major diffculty, dominated The Associated Press' first regular season basketball poll today and confirmed their pre-season selection as the nation's best collegiate crew.

The Wolverines, who lost only one regular from the team that finished third in the nation last year, gained 32 of the 34 first-place votes cast and had a whopping 100-point margin over second-place Wichita.

Michigan, which already has survived two major tests, gained 337 points in the balloting on the basis of 10 points for first, 9 for second, 8 for third etc. Wichita, winner of its only start this season, moved up from third in the pre-season poll to second with 236 points.

The top ten, with first-place votes in parentheses, and points:

1. Michigan (32)	337
2. Wichita	236
3. Vanderbilt	189
4. St. Louis	170
5. San Francisco	140
6. Minnesota (1)	133
7. UCLA	86
8. Duke	83
9. Kentucky	62
10. St. John's, N.Y.	59

"My advice, sir-get DE-ICER!"

Gas line freeze can happen to anybody, but when you're young and in a hurry, it's a disaster. Here's what gas line freeze is. Moisture collects in a gas line. It freezes. The flow of fuel to the engine of the car is choked off, frozen tight. You're stopped cold. Luckily, there's a simple solution to this wintertime worry. Be a steady user of either American. Regular Gasoline or American. Super-Premium. They contain the real thing—DE-ICER—to prevent gas line freeze. No extra cost. No wonder Standard Oil Dealers say: "My advice, sir-get DE-ICER!"

Wildcats Claw Way Up Ladder In Cage Ranks

By The Associated Press

Villanova's Wildcats are scratching their way up the college basketball ladder. Their Kentucky cousins may be up a tree.

Bill Melchionni's jump shot with 22 seconds to go in overtime lifted Villanova past Princeton's Ivy League champions 61-60 Monday night while North Carolina was caging the nationally ranked Kentucky 'Cats 82-67.

The developments at Philadelphia and Charlotte, N.C., came too late to affect the Associated Press weekly ratings, released today with Kentucky in the No. 9 spot and Villanova barely outside the top ten. A shuffle on the next go-round is likely, however, with Villanova assuming the role of top 'Cat.

Top-ranked Michigan, meanwhile, cleared its bench early while brushing off Missouri 91-61 and Kansas State, knocked out of the top ten by Indiana last Saturday, rebounded against Southern Illinois 61-48.

Indiana whipped Oklahoma 87-79; Ohio State beat Houston 77-69; Bradley edged Murray State 76-74; Tennessee topped Georgia Tech 66-52; Utah State thumped Pacific 98-74 and Arizona surprised Texas Tech 77-75 in other games involving national powers.

Tonight's top games match third-ranked Vanderbilt against Western Kentucky; San Francisco, No. 5, vs. San Francisco State; Minnesota, No. 6, vs. Marquette, and St. John's, No. 10, vs. Holy Cross.

Melchionni outscored Bill Bradley, Princeton's All-America sharpshooter, 24-23 as Villanova ran its record to 3-0. The Wildcats' junior star fired the winning two-pointer after Bill Kingston's layup had put Princeton ahead with one-half minute left in the extra session.

The Tigers froze the ball for the last two minutes of regulation play but Bradley missed a jump shot with two seconds remaining and the teams went into overtime deadlocked at 54-all.

The tall Tar Heels poured in 20 points in the last 5½ minutes to pull away from Kentucky. Sophomore Bob Lewis led the winners with 23 points, one more than teammate Billy Cunningham, who played the last 17 minutes with four personal fouls. North Carolina has won three of four starts. The Wildcats are 1-1.

Michigan, sweeping both backboards, raced to a 46-26 halftime lead over the visitors from the Big Eight Conference and breezed to its third straight victory with reserves seeing more action than regulars. Bill Buntin led Wolverine scorers with 14 points.

Gray Fox Quits Coaching Post

RALEIGH, N.C. (AP) — Everett Case, the Old Gray Fox who helped bring bigtime college basketball to the South, resigned Monday as North Carolina State's basketball coach because of extreme fatigue.

Case, who was to have retired next June 30 after 19 seasons with the Wolfpack and nine days after his 65th birthday, said the decision to quit had been "coming for some time."

Athletic Director Roy Clogston and the faculty athletic committee immediately approved the appointment of assistant Press Maravich, 45, as head coach and granted Case's additional request that he be allowed to serve as an advisory coach.

Case, whose State teams compiled a 378-133 record prior to this season, said he suffered headaches and extreme fatigue during pre-season practice.

Saturday night's game with Wake Forest at Winston-Salem made up his mind. "I had to get a chair and sit down," he said. "Then I thought I was never going to get home."

Case added, "I would have liked to have finished, but it was not the proper thing to do."

N.C. State lost to Wake Forest and beat Furman in its only games this season.

Maravich is a native of Pittsburgh, Pa., was graduated from Davis and Elkins College and has a master's degree from West Virginia University.

Case, a bachelor, came to Raleigh in July 1946 after coaching several service teams to a combined 56-5 record during four years in the Navy.

Big Ten Teams Add Prestige

CHICAGO (AP) — Michigan's top-ranked Wolverines, undefeated Indiana and Ohio State added to Big Ten prestige in intersectional basketball competition Monday night.

All three turned in victories to boost the Big Ten record to 20 - 5 against non - conference competition.

Michigan and Indiana, playing at home, romped over their opponents while the Buckeyes, scoring their third triumph in four games, had a close call but led most of the way to down Houston, 77-69.

Michigan trampled Missouri 91-61 and Indiana bombed Oklahoma, 87-69.

So one-sided were the Michigan and Indiana games that reserves played most of the game for both teams.

Indiana climbed to a 10-0 lead and moved in front 47-32 at halftime. The reserves took over and never allowed the Sooners to get within range.

Dick VanArsdale topped Indiana scorers with 16 points while Ron Peyser added 14. The Hoosiers used 13 men in the game.

Ohio State made it two straight in its trip into the Southwest after having defeated Texas Christian 84-79 Saturday night.

Against Houston, the Buckeyes remained in command as Dave Ricketts poured in 22 points and Ron Sepic added 18.

Four Big Ten teams will be in action tonight with Bowling Green at Illinois, Marquette at Minnesota, Michigan State at Notre Dame and Wisconsin at Pittsburgh.

Boston Veteran Betters Record

NEW YORK (AP) — Gino Cappelletti, Boston's top pass catcher and field-goal kicker, has bettered his own American Football League scoring record with 155 points. He set the old mark of 147 in 1961.

The 30-year-old pride of the Patriots scored a touchdown on a pass from Babe Parilli, kicked a 12-yard field goal and added four conversions in Boston's 31-24 victory over Kansas City Sunday.

Cookie Gilchrist, Buffalo fullback, leads Matt Snell, the New York rookie, by 71 yards in their battle for the rushing lead. Each player has two games to go. Gilchrist has gained 862 yards in 193 attempts, Snell 791 in 178. Each has a 4.4 average.

Len Dawson of Kansas City still leads the passers.

Pick Stallings At Texas A&M

COLLEGE STATION, Tex. (AP) — Texas A&M remembered how Paul (Bear) Bryant rebuilt its football fortunes, so it got a man from Bryant's championship team to coach it back to greatness.

From Alabama, where he has been assistant head coach to Bryant, comes Texan Gene Stallings to take over the sagging fortunes of the Aggies.

Stallings was named head coach of A&M Monday while Henry (Hank) Foldberg, who has been athletic director and head coach for three years, becomes full-time athletic director.

Stallings was an end on the 1956 Texas A&M team which went undefeated and won the Southwest Conference championship under Bryant.

Bryant quit at A&M in 1957, however, and went to Alabama, his alma mater, which was looking for somebody to drag it out of the doldrums. Bryant did that—he has had two national champions at Alabama.

Stallings was freshman coach in 1957 but went to Alabama with Bryant in 1958.

In 1956 A&M couldn't participate in a bowl game because the school was on probation for recruiting violations. But the next year it was off probation and Bryant's team, which had an 8-2 record, played in the Gator Bowl.

Since then A&M hasn't had a winning team. This past season it won only one game, bringing the record of Foldberg in three years to 6-23-1.

Stallings, 29, is a native of Paris, Tex.

OES Has Yule Program Here

A Christmas program was presented for Ida Chapter of the Eastern Star Saturday evening.

Participating were George Chvala, Mr. and Mrs. Witter Reid, Clarence Johnson, Mrs. Cliff Cool, Alex Meron, Mrs. Harold Rodgers, Mrs. Cecil Taylor, Mrs. N. H. Modders, Helen McGlothlin and Mrs. Marvin Frederickson.

A social hour in which Santa distributed gifts followed.

Visitors included Mr. and Mrs. Arthur Thorp of Minneapolis, former residents and former past matron and patron of the chapter, and Mrs. Irene Hubard of Lapeer, a past matron of Martha chapter.

David John Henry, 20, of 207 N. 4th St., was ticketed by Public Safety officers for driving too fast for conditions after an accident at 9:15 p.m., Sunday. His car slid while traveling north on Deer and hit the hydrant at the Weston intersection.

Herb Krause, 121 Front St., reports the buck rescued by downstate hunters from icy Lake Michigan waters was shot by a downstate hunter with license TB7914, using a shotgun. An article concerning it was in Saturday's edition, from Henry Tornga of Byron Center.

State Police ticketed Kenneth E. Hiller, Grand Rapids, speeding; Walter W. Peterson, Gulliver, expired operator license; Bennett Russell, Marquette Ave., drinking beer on public highway; Clarence V. Ansell, 210 Deer, driving without operator license.

New Water Tank Will Go In Use Next Spring

Work is proceeding on construction of the elevated water storage tank for the city and erection is scheduled to be completed in about two weeks. Due to weather, painting will have to be done in spring, city manager S. C. Gesko Jr. reports. The tank will be put in operation then.

The project is a cooperative one with the federal government, which will pay half the cost or $86,000. Thus far the city has received two partial payments, totaling $64,500, and is preparing to apply for a third.

Marvin Van Eyck of Ann Arbor, consulting engineer for McNamee, Porter and Seeley conferred here Monday on the tank. Additional costs due to greater rock excavation than anticipated, and a problem with a pump overheating were included in the discussions. Temperatures are being recorded on the pump to determine if the manufacturer should be contacted. Bearings have been changed on it.

City crews have recently repaired a leak at Lake and Main St. which reduced water pumpage an estimated 150,000 gallons. The daily average now is 850,000 to 880,000. About 40,000 of this is due to bleeders at the end of lines.

Also completed is installation of a hydrant at the end of Intake Park Road, where an air brake had been installed. This permits flushing, clearing turbidity from water.

When painted the water tank will have the words "Manistique" written to two places, in lettering three feet high. It is visible from both approaches on the highway, at its site near Lakeview Cemetery.

Mrs. Robert Kanerva's second and third grade won the room award. Christmas carols were sung, with accompaniment by Mrs. Maurice Fagan, organ and Sylvia Jenerou, accordion.

A gift exchange was followed by lunch served by Mmes. Fred Prater, chairman, Albert Mersnick, Russell Jackson, Joe Jackson and Addie Boyd.

Jeweler Found Dead In Home

Carl William Malmberg, 62, of 209 S. Cedar St., was found dead in his apartment at 11:15 p.m. Monday by public safety officers called by Vern Johnson, Malmberg's landlord, who reported he had not been seen in the weekend.

Death was due to natural causes and apparently occurred early Saturday evening, said Coroner Robert Broullire. The body was found on the floor before a chair.

Mr. Malmberg was born Jan. 3, 1902 in Lindstrom, Minn., and had been a self-employed jeweler here.

He is survived by a son, Charles, Appleton, Wis.; a daughter, Mrs. William Swenson, Stillwater, Minn.; three brothers, Roy of Ashland, Frank of Duluth and Edwin of Minneapolis; a sister, Mrs. Charles Sundberg of Lindstrom, and three grandchildren.

The body is at the Messier-Broullire Funeral Home where friends may call between 3 and 9 p.m. Wednesday, when it will be taken to Center City, Minn., for burial services in the Lutheran Church on Saturday afternoon and interment at Lindstrom.

Saint Nick Has Record Turnout

Santa Claus, Mrs. Santa, and the elves visited Saturday in Manistique with more than 2500 youngsters from the city and surrounding area.

Though a wind whipped across the Lincoln School grounds, lines extending to the street and beyond formed as families gathered to tell Christmas wishes.

A coloring book and candy were given each of the youngsters as they spoke with the Christmas persons before a fireplace and a backdrop of Christmas trees.

The number visiting set a new record, pleasing immensely the local committee for unions, business and industry, which sponsor the annual appearance by Santa.

This year he paraded through the city in a cutter prior to his visitation at the school.

The committee has expressed a big "Thank you" to all who aided and extends very best season's greetings for the community.

The order of Eastern Star will hold a school of instruction Saturday, Dec. 12 with Mrs. Margaret Schaefer of Marquette in charge. A dinner for officers and instructors will be held at 6 p.m. The school begins at 7:30 p.m.

Mrs. G. L. Bouschor, Mrs. Franklyn Burgess, Mrs. Lester Richards and Mrs. Jack Quick are on the dinner committee.

For the social hour after the school, the hostess committee will consist of Mr. and Mrs. George Rasmussen Jr. and Mr. and Mrs. Ronald White.

Not New

The Afghan hound is not a comparatively new breed of dog since it has been raised in Afghanistan for centuries. Because of its strange appearance, it sometimes is called the "monkey dog" or "baboon dog."

Youths Sentenced For Larceny

Peter Vanderberg, Rte. 1, Gladstone, and Marvin Micheau, 206 S. 3rd St., both 17, each were sentenced to 30 days in the County Jail after pleading guilty Monday to a charge of simple larceny when arraigned before Justice A. J. Mortier.

The youths were arrested by Gladstone city police Saturday and charged with taking money from the Edgar Rosenlund home on N. 15th St.

Stan Musial was the fifth person in baseball history to reach a record of 10,000 official times at bat.

GLADSTONE

Briefly Told

Women of Trinity Episcopal Church will hold their annual Christmas party at the home of Mrs. Francis Youngs, 1222 Michigan Ave., Wednesday at 8 p.m. A Christmas film will be shown and gifts will be exchanged.

Lodge 103, B. of R. T., will hold a regular meeting at the Legion Hall at 7:30 p.m. today.

State Police of the Gladstone post issued traffic summons Monday to Joseph McGauran, Marinette, speeding; Michael Gallagher, 214 N. 14th St., Escanaba, no operator's license.

An investigation into the breaking and entering of the Mead Corp. Rod and Gun Club is being conducted by State Police. The building was entered sometime Monday by breaking glass in a door, police said. Part of a case of beer and some small change were reported missing.

ELLIS E. Movalson, of 1318 Minneapolis Ave., Gladstone was a member of the first class to graduate from the training department of Citizens Mutual Insurance Co. Howell, Mich., created to train people to provide more professional insurance service. Movalson, a former member of the Gladstone State Police Post, and his wife, Anne, have two children. He has been in the Escanaba claims office of Citizens' since June 22.

"Apple Jack"

Apple cider acquired the name of applejack ("Apple Jack") because it once was thought that the cider did not become fully ripe until after June 24th, the church feast of St. John.

Program Planned Thursday Night

The Woman's Department of the Reorganized Church of Jesus Christ of Latter Day Saints will hold a "Birthday Party For Christ" at the church annex at 8 p.m. Thursday.

The program will include special Christmas readings and Christmas carol piano selections. Refreshments, featuring a large birthday cake, will be served and decorations will include tall white tapers symbolizing the Light of Christ.

Gifts will be exchanged and members are asked to bring mittens for the mitten tree.
